

Life enhancements and renewed confidence through sincere care and stunning smiles...

PATIENT NAME: Marla

DENTAL CONCERN:

Healthy maintenance, unhappy with the discoloration of her teeth.

TREATMENT SELECTED:

Veneers, Ceramic crowns, and bridges

"I like Dr. Rosenberg as a person," Marla says.

"He is honest and detailed, and he made all of my treatments very easy on me. I would recommend meeting with Dr. Rosenberg and team for any dental procedures."

PATIENT NAME: Ante

DENTAL CONCERN:

Unhappy with crooked and stained teeth.

TREATMENT SELECTED:

Crowns, bridge, Inman aligner and tooth colored fillings.

"I feel absolutely fantastic and confident in my smile,"

Ante exclaims. "I proudly smile so much more often now without feeling the slightest embarrassment. My friends always compliment me on my teeth and the natural look Dr. Rosenberg achieved for me."

Stunning,
Confident, Caring...

DR. ROSENBERG'S MISSION

Commitment to your confidence, care and stunning appearance...

"To present patients with a positive experience in the office, regardless of their level of treatment such that they feel like there is no other dentist they would rather go to or recommend to their friends."

APPEARANCE RELATED DENTISTRY

Where care, confidence and stunning smiles meet superior health...

Your smile is more than just a set of teeth. Your smile sets the stage for how you feel and how you look. Whether your smile needs are health or appearance related, Dr. Rosenberg treats your smile with great care, ensuring it feels perfectly natural and complements your overall appearance. Each restoration and cosmetic treatment is customized to perfectly suit you through Dr. Rosenberg's seamless, artistic dentistry, giving you a healthy, lasting and beautiful smile. Your look is so natural friends won't even know you received dental treatment! Whether a minor change or a full smile reconstruction, you are guaranteed to look fabulous, feel great and enjoy long-lasting oral health.

RESTORATIVE DENTISTRY

Restore your smile and confidence to reflect your stunning inner-self...

Your oral health is deeply connected with your overall well-being. Don't settle for old uncomfortable dentistry or broken, worn teeth. Free your smile of decay, unsightly wear and painful restorations that don't fit. Revitalize your oral health through restorative treatment options and erase years of wear and tear on your teeth. Let your smile exude the health and confidence you've worked hard to achieve through restorative treatment options including:

- dental implants
- tooth colored fillings
- porcelain inlays/onlays

COSMETIC DENTISTRY

Exude the stunning confidence that comes with your new enhanced appearance...

Your smile is a powerful source for self-esteem, confidence, and continued success. Make sure your teeth are functional and gorgeous through Dr. Rosenberg's appearance-related dentistry. Feel confident that your smile will look wonderful and complement your overall beauty with natural-looking treatments like:

- porcelain veneers
- tooth whitening
- porcelain crowns
- gum contouring
- bonding
- Inman Aligner

TECHNOLOGY

The investment and care for your health, stunning smile and confidence...

Top dentistry and top technology go hand in hand. Feel great knowing your dentist cares about you and invests in technology to communicate and treat you with the highest standards of care. See exactly what your dentist sees; save your precious time and money; and make educated decisions through each step of your dental care with advanced technology featuring:

- cosmetic imaging
- digital photography
- Diagnodent
- intra oral camera
